

2.7.1 Student Satisfaction Survey

Every year, the D.A.V. College of Education for Women, Amritsar keeps vigilance over the teaching-learning scenario and to make it more effective; student satisfaction survey is conducted through a questionnaire. The students provide feedback about the infrastructure and various Academic and Physical resources (classroom, library, canteen, playgrounds, laboratories etc.) available in the college. The following points sprung out after the analysis of student survey questionnaire:

- Good library facilities.
- Well equipped laboratories of computer, psychology, science and mathematics.
- Examination and evaluation system in the college are structured properly.
- Curricular and co-curricular activities are given equal importance for holistic development of the students.
- There should be stationary shop in the college campus.
- Notes should be provided by college/teachers of each subject.
- Teachers must talk about the post graduation opportunities, entrance examination and tips to check the entrance.
