The college has always been active in the promotion of original and creative thinking among the students and to ensure the same, various strategies are adopted for this. Project-based learning and training are imparted in various semesters to instill research acumen and creative /critical thinking among the students. The creative skill is installed through various inter-college and intra college activities. Different clubs and cells organize plenty of academic and extracurricular activities like drama, debates & declamation; fine art, creative writing, and poster making competitions. Students are encouraged to publish articles, poems, and short stories in the college magazine. To ensure interactive teaching, the faculty makes use of PowerPoint and multimedia presentations for better retention and understanding of the content. Career Counseling cells, Mentor-Mentee groups/and Tutorial groups have been formed to deal with

academic and stress-related issues. The students,WhatsApp groups are used to promote effective peer learning. The students use the same to upload and exchange their work, assignments, educational videos, and information with teachers and thus collaborative online thinking is promoted.

A 15 weeks internship program is carried out in three phases i.e. pre-practice, teaching practice, and post-practice and evaluation. Every Student fills their choices of ten schools on the "E Punjab Portal" provided by SCERT and they allot different schools to each student according to their subject combination. During this internship program, student teachers attend the school full time and participate in all curricular and co-curricular activities, and are monitored and guided by the subject teachers of their respective schools. Students learn to prepare attendance, admission, result, stock registers, etc.; organize co-curricular activities and

construction and administration of achievement and diagnostic tests, a case study of a child with deviant behavior and conduct action research related to classroom problems.

In school, the students deliver two lessons a day i.e. one lesson per teaching subject. During teaching practice, each pupil teacher delivers two discussion lessons in two teaching subjects in the college. The subject teacher and peers carefully observe the lessons and provide feedback to the students for their improvement.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

During teaching practice, school subject teachers monitor, and observe the teaching lessons and activities of the pupil teachers. The pupil teachers prepare their lesson plans after discussing the syllabus with the concerned subject teacher of the class and school teachers observe the lessons delivered by the pupil-teacher and give oral and written feedback for further improvement in their teaching. The pupil teachers organize various co-curricular activities as well under the guidance of mentor teachers and school staff.

Before sending the students for real teaching in school the demonstration lessons are delivered by teacher educators. The students are taught how to write instructional objectives, test the entry behavior, prepare the teaching aids, assign homework and deliver the lesson in the class. Micro-teaching sessions are also conducted in which pupil teachers practice micro-teaching skills within their respective subject groups.

After the first phase of practice teaching, each pupil teacher delivers one discussion lesson in each teaching subject in college in an actual setting. The teacher teaching that subject carefully observes the lesson and records the observations on the notebook of the students. The peers also observe and provide constructive suggestions to the pupil-teacher.

## 2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

Internal and external examinations have a 30:70 ratio, according to GNDU norms. The teaching faculty orients the students at the start of each semester. Students are familiarized with the course, its objectives, and the format of the exam by the examination committee. The College teacher conducts seminars on their respective papers in which content knowledge, presenting skills, and communication skills are assessed. Moreover, Students prepare assignments mentioned in each paper in their respective semesters. These assignments are checked by the respective subject teacher and the necessary feedback

is given as per requirements. In each semester, the college conducts one unit and one house test. Students are given marks based on their performance and remedial teaching is organized for weak students. Special tests are conducted for those who do not score eligibility marks to appear in the final university exam. Due to the pandemic, this year both house tests and final exams are taken through online mode.

A variety of field engagement activities are held from time to time in college e.g. Visits to orphanages, Museums, Pingalwara, etc are planned. Teachers assess their projects in order to foster critical thinking, analytical skills, and teamwork.

### 2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

Most of the grievances related to the examination are received after the declaration of results by the Guru Nanak Dev University. The errors in their results like marks of the internal assessment, attendance sheets, errors in the bio-data, etc. are immediately addressed, corrected, and quickly disposed of for onward submission to the university by the convener examination committee. Each and every superintendent and the staff member concerned are instructed for due care and cooperation for the quick disposal of student grievances at their respective quarters. Where ever deemed necessary, the relevant documents/testimonials are submitted through the candidate personally or through their parents to the Coordinator Examination for speedy Redressal of the issue. Close and continuous communication is maintained by the Coordinator Examinations with the university authorities for speedy disposal of queries, explanations, and doubts if any. As per internal practical tests are concerned, if any student pinpoints any academic discrepancy viz a viz conduct of tests, the concerned teachers wholeheartedly show their concern, and attention is given to the student's grievances.

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

The academic calendar is prepared by the senior faculty prior to the start of each new session, following the norms of the GNDU and UGC. The Institute places a high value on transparency in its operations. Initially, during the conduct of the orientation program ,whole plan of action is discussed with the students.An academic calendar is also provided in the handbook of information/ prospectus which is mandatory for every student to have. The academic calendar lists the start and conclusion dates of each semester as well as other information such as the micro-teaching, the internal examination, and the tentative external examination schedule, as well as the days of festivals/activities to be performed. The calendar also includes a number of other activities carried out by the institution are as follows: Picnics/field trips to various locations or institutes, alumnae meetings, organization of National and International

cultural events, and organization of extension lectures/ seminars. Visits to orphanages, blind institutes, religious sites, Pingalwara, different campaigns to raise awareness about environmental conservation and protection of our natural resources, and NSS activities. A course schedule for all semesters of each class is included in the handbook of the college.

## 2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

The College has a proper mechanism of communication of the learning outcomes of the Programs and Courses, which includes the following; Hard Copy of syllabi and course/program Outcomes are available in the respective departments and college library for ready reference to the teachers and students. Copy of Curriculum and Outcomes of Programs and Courses are also uploaded on the college website.

At the beginning of the session as well as each unit of the syllabus, the faculty articulates the learning objectives and program-specific outcomes to the students. Program-specific outcomes of all the departments are highlighted through counseling sessions which provide information on career options open to students after the completion of the program. In perspectives and pedagogy papers concerned teachers try to fulfill the course learning outcomes through adopting different methodologies like lecture cum demonstration method, Assignment, Seminars, Projects, Brainstorming sessions. Apart from curricular activities various co-curricular activities like quiz competitions, literary and cultural competitions, and fine art competitions are organized from time to time in college to achieve PLO and CLO.

At the beginning of the session, IQAC members hold the meeting with principal madam and chalked out the plan of the session, Curricular and Co- Curricular activities during the session, tentative dates are decided and duties are assigned to concerned committees/clubs.

Suggestions given by NAAC

Incremental Improvements

Encouraging teachers to go for good research publications may strengthen the research acumen of teachers.

Our faculty members have done good work on research and there is a long list of their research publications in reputed national and International Publication journals.

The faculty needs to take up authentic action research study that may help further improve educational functioning and classroom

practices and in the process support professional development of the faculty.

Action Research is the part of curriculum of B.Ed. and M.Ed. students. Also, Faculty members are doing a good job in this context.

Suggestions given by NAAC

Incremental Improvements

Vacant positions of teaching and non-teaching staff to be filled immediately

7 teaching staff members are appointed on regular basis.

Collaboration with reputed educational institutions, Research and other quality universities through formal MOU's be made

MOU is signed with Hindu College, Amritsar, Global Institute of Engineering and Technology, Amritsar.

7.1.2 - Institution has a stated policy and procedure for implementation of waste management Give a brief note on the institution policy for waste management along with its implementation procedure in not more than 100 - 200 words.

The institution is very conscious of generating less waste and recycling it by passing it through a system in such a way that enables even the waste to be reused. The college segregates waste into following ways:

1. **Solid waste:** The waste generated by all sorts of routine activities carried out in the college and includes paper, plastic, glass, metals, foods etc. The administrative supervisor ensures that the waste from all areas is collected at designated place. The worker in-charge of cleaning collect, clean, segregate and compile the waste collected from the dustbins (Green and blue). The dustbins are emptied in movable containers and then taken by Municipal Corporation to the dumping yard.
2. **E- Waste Management:** Memory chips, mother board, compact disks, cartridges etc used in computers, TV, phones, printers,

fax and Photocopy machines etc are recycled properly. The E-waste generated from hardware which cannot be reused or recycle is being disposed off centrally through government authorized vendors. Following steps are followed for E-waste management:

1. Looking at environmental friendly equipments.
2. Teaching students and teachers about E-Waste.
3. Reduce, recycle and reuse is the motto of our institution.
4. Less use of paper.
5. Awareness spread about E-waste management through lectures, seminars etc.
