

## INSTITUTIONAL DISTINCTIVENESS

DAVCE Amritsar focused to be in harmony with our vision, priority and thrust area. Our institution assure to give quality education to students by inculcating in them a thirst of knowledge ,patriotic fervour besides humanities. The main aim of our college is to empower of our future generation academically and this is well proven by their success. Institution continues to challenge itself to address the changing need of its students and society in an engaged and compassionate way while providing cutting edge competitive education.

- **Integrated and holistic development**

For overall development of personality the institution provide various opportunities to students by exposing them min the variety of co curricular activities.

- College has been stamp0ing its class in youth festival and was added in various events.
- Students are motivated not to remain self centres and are urged to take up social roles through NSS and outreach programs like awareness campaign of stop burning stubble.
- Morning assembly, display thought of the day , DAV GAAN, recital of Gaytri mantra are all means of arousing spiritual thought in young minds and creating a pious ambience in college.

Along with excellence in Education students are thoroughly equipped with knowledge of perseverance and environmental sustainability , special effort is laid on learner's understanding of current environmental issues like energy conservation, waste management and plantation drive etc
