CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

D.A.V. college of Education for Women is the constituent college of GNDU, Amritsar. The schedule and duration of B.Ed./M.Ed./PGDCA programmes are based on the university guidelines. Focusing on the three aspects of innovation, employability and research; the faculty of the institution restructure the pattern of curriculum delivery time to time. The institution has to follow mandatorily the syllabus prescribed by the affiliated university. Faculty of the college who are member of Board of Studies/Faculty Education of GNDU, Amritsar updates the curriculum changes to academic council of the institution to suit the challenging needs of the society as well as to cope with the knowledge expansions. Academic processes in the institution are streamlined in time-tables, workloads and other administrative tasks prepared well in advance of teaching sessions. The intellectual teaching body of D.A.V. College of Education for Women is supported by relevant ICT. The college has a well equipped library, computer lab. with internet facility which makes it possible for students to participate in teaching learning process. Our teachers regularly update their disciplinary knowledge through active involvement in the faculty development, curriculum reviewing and evaluation programme.

Experiential learning through internship and project is specifically facilitated. Institution incorporates an apathetic approach endeavoring to familiarize the students about gender based inequalities, environmental concerns and ethics that required an individual's and societal growth. The institute educate students about their rights and duties through various programmes organised by clubs/committees of the college. The college also plays a crucial role in nurturing civic minded and just individuals. Clubs like Women Empowerment Club, Legal Literacy Club, NSS, Science Club and Grievance Redressal Cell instil a climate of security and equality in the campus. Regular feedback from the students, alumni, parents, principals and faculty also ensure appropriate action towards addressing any gap in students' progression and overall college development.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Well established students mentoring system is available in the institution. It is all student centered. The institute has a tutorial system in which teachers serve as academic tutors and provide counseling to students. Inculcation of intellectual, social, moral, artistic, cultural, and spiritual qualities is emphasized in the teacher-taught relationship. This enables bridging the gap between the teachers and students. The institution has an integrated monitoring system where the faculty acts as a link between the students and the institution and performs the following functions: Teachers are assigned to monitor and guide students throughout the year, Students are given advice on their job choices by career and counseling cell, Teachers identify slow learners and encourage advanced learners, Teachers try to improve students academic performance and reduce the number of students who drop the course, Teachers also keep track of student's performance during the teaching internship by continuous interaction with the principal of schools and students, Teachers interact with students on a regular basis and keep track of their academic progress and attendance. The teacher personally collects information about her wards and takes care not to touch sensitive issues. Teachers maintain a complete record of each pupil and updates the information as and when needed. Information collected also help teachers in executing curricular and co-curricular activities. Counseling of students is an important aspect to create equitable service to all the students from different background. Student-teacher ratio is maintained to give personal attention to students. Tutorial/House meetings are held on a regular basis and during these meetings students meet their teachers to discuss academic and personal problems. The class teachers meet each student individually and provide assistance in every manner feasible to improve their academic achievement. The tutors continually keep an eye on students attendance, marks in internal and external examination to provide corrective training as well as her candidacy for campus placement.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Exams are used to evaluate pupils, and they are an important aspect of the teaching-learning process. Internal and external examinations have 30:70 ratios, according to GNDU norms. When it comes to external exams, the GNDU conducts the exams. For internal review and assessment, the college follows the GNDU norms. The college used to display all circulars on notice board from time to time. The teaching faculty orients the students at the start of each semester. Students are familiarized with the course, its objectives, and the format of the exam by examination committee. Faculty members also provide counseling to students on a regular basis. The College teachers conduct seminars in their respective papers in which content knowledge, presenting skills, and communication skills are assessed. Moreover Students prepare assignments mentioned in each paper in their respective semesters. These assignments are checked by the respective subject teacher and the necessary feedback is given as per requirements. In each semester, the college conducts one unit and one house test. Students are given marks based on their performance and remedial teaching is organized for weak students. Special tests are conducted for those who do not score eligibility marks to appear in final university exam. A variety of field engagement activities are held time to time in college e.g. Visits to orphanages, Museums, Pingalwara etc. Teachers assess their projects in order to foster critical thinking, analytical skills, and teamwork.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institute has developed dynamic academic teaching plans and it follows a well-defined academic calendar. The academic calendar is prepared by the senior faculty prior to the start of each new session, following the norms of the GNDU and UGC. The Institute places a high value on transparency in its operations. Initially, during the conduct of orientation program (in the first week of opening of the college) the whole plan of action is discussed with the students, talking about what and when things will happen. Academic calendar is

also provided in the handbook of information/ prospectus which is mandatory for every student to have it. Syllabus of all the semesters of each and every stream is provided in the handbook of information. The academic calendar lists the start and conclusion dates of each semester as well as other information such as the micro-teaching, the internal examination and the tentative external examination schedule, as well as the days of festivals/activities to be performed. The calendar also includes a number of other activities carried out by the institution which are as follows: Picnics / field trips to various locations or institutes, alumnae meet, organization of National and International cultural events, organization of extension lectures/ seminars. Visits to orphanages, blind institutes, religious sites, Pingalwara, different campaigns to raise awareness about environmental conservation and protection of our natural resources, and N.S.S. activities. A course schedule for all semesters of each class is included in the handbook of the college.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

7.2 Best Practices -Title of the Practice: Awareness to career opportunities
The context that requires the initiation of practice: The great thing about developing career awareness is that students are introduced to a variety of exciting career options in various courses. This may be according to their interest, where they can excel and progress into a lifelong and rewarding job.
Career Counselling is a dire need of students. Our College started this practice to help students to succeed in their future. -Objectives of the practice are: 1. To improve morale and motivational level of students. 2. To make students adaptable to changes. 3. To develop an awareness towards personal abilities, skills, interests and motivation. 4. To learn how to interact and work cooperatively in a team. -The Practice: Career and Counselling Cell is an important unit of our institution. Two senior teachers are members of this cell. They time to time guide and counsel students about various career options available. Following programs were organised in this context: 1. Career Guidance Program on Nov 07, 2019. 2. Exhibition on Occupational information on Nov. 13, 2019. 3. Workshop on Power of expression on Feb 24-26, 2020. 4. TET/ B.Ed. Entrance Test Coaching. -Detail of students participated in the program: Academic year No. of students participated 2019-20 150 -Organisation: It is organised under the aegis of Career and Counselling Cell of the College. It is headed by two senior teachers. Program is personally cared, maintained and evaluated by Senior faculty members and Principal Madam herself. -Obstacles faced if any and strategies to overcome: It has been tried that student should get maximum benefits from this practice. Both material and learning resources were required which were managed by the institution itself. -Impact of the practice: The practice has impact that almost 150 students participated and benefited from these programs. It was an effort to ensure equity. -Resources Required: Following resources would help us to perform this duty in a more effective way: 1. More efforts required by teachers and students. 2. Time to time internal evaluation is required. 3. More funds are required. -Title of the Practice: Strengthening Ties with Community. -The context that requires the

initiation of practice: The institution and the community are the main springs of effective and powerful forces that can create a wholesome climate for mutual gains and betterment. Our college initiative this practice of community service to benefit the community. The institution can provide plenty of opportunities among the students to apply them to the community services. -The Practice: Our Institution organises following programs under N.S.S. department of the college. N.S.S. department comprised of a senior faculty member and N.S.S. students. 1. Issue of stubble burning was taken on Oct. 04, 2019. 2. Extension Lecture on "Nutrition Diet" on Sept. 14, 2019. 3. Tree plantation drive on October 21, 2019. 4. Vigilance Awareness Week on Oct 31 - Nov 2, 2019. 5. Swachha Bharat Abhiyaan on Feb 07- 08, 2020. 6. Blood Donation Camp on Feb 10, 2020. -Detail of students participated in the program: Academic year No. of students participated 2019-20 170 -Organisation: It is organised by N.S.S. department of the college. Mrs. Savita Rampal is the head of N.S.S. department. Programs were cared, maintained and evaluated by her personally. -Obstacles faced if any and strategies to overcome: It has been tried that program should benefit and develop the sense of service to community among students. Though material and learning resources were required but that were managed by the institution and N.S.S. department together. Initially, students have apprehension about the purpose of program but later they have a sense of satisfaction. -Impact of the practice: The practice has following impact: 1. Positive relationship between institution and community. 2. Fostering high quality and challenging activities in the field of education. 3. Maximum utilization of resources. 4. Appreciation by the villagers for the institutional efforts. -Resources Required: Following resources would help us to perform this duty in more effective way: 1. Maximum involvement of students as well as community members are required. 2. More funds are needed to organise such program. 3. Timely internal evaluation of the program is required.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision of the institution is to mould and empower students in the pursuit of knowledge, values and social responsibility and help them to achieve excellence in various fields, thereby also preparing them to face global challenges. The institution has established its distinctive approach towards this comprehensive vision by moulding it in the form of services to the society by means of allowing the students to organise events to develop their skills, ethical and human value development. Recognizing its privileged position as a premier institute of Teacher Education, D.A.V. college of Education, Beri Gate, Amritsar, college stands out from other institutions in Teacher Education, making consistent efforts in fulfilling its social responsibility towards all the sections of society. The college authorities, staff and students believe that the true essence of empowerment lies in creating sustained forms of emancipation by generating lasting opportunities for all. The outreach aimed to highlight that education and independent thoughts are the most effective means of breaking down social taboos. The college pursues distinctiveness as a way of focusing on intellectual energy and using limited resources wisely to provide quality teachers rather than quantity teachers to the society. The college aims at creating the best human resources reservoir to produce world class professionals and citizens. The college expands all its resources human as well as material to prepare passionate, innovative, secular and humane teachers with commitment to excellence and professional outlook. The positive outcomes are

achieved by designing the curriculum to meet the global requirements and through teaching learning methods blended with ethical values. The structured induction of the students into the curriculum enables to visualize the career opportunities and the approach towards achieving them. D.A.V. management has a strong philosophical guiding principle of making Education a blend of Indian Culture and Western Knowledge. Our institution is also an integral part of this bigger vision and stands for knowledge grounded value education. Thus following principles of AryaSamaj, we believe in making people 'Arya' a human being having all moral values. For this Havan Yajna, morning assemblies, lectures on moral values are organised in the institution regularly to help them to remain on the right path on living. Thus in the end we aspire to become an institution known for its integrating theory and practice, modern and traditional values. Our goal is to stimulate academic environment for enhancing quality of teaching learning process by encouraging innovative practices.

8.Future Plans of Actions for Next Academic Year

Professional Educational colleges need to be dynamic to cope with rapid changes in the society. For the coming years, we lay down following goals in our journey towards excellence: 1. Development of e-content for students. 2. Planning to initiate some events to seek the participation of different stakeholders (practising schools, administrators, student teachers, guardians and community) to improve the existing practices in the college. 3. To make institution more innovative and progressive. 4. Improvement in remedial teaching to improve the students at all levels. 5. Organisation of more workshops, seminars and competitions. 6. Encouraging teachers to use technology in curriculum delivery by upgrading our website, increasing speed of WiFi connectivity, obtaining latest software subscription of more e-learning resources.
